

## FORUM ON THE CURRENT CHALLENGES OF CLIMATE CHANGE

July 5 (Tuesday), 1:00 P.M. to 7:00 P.M.

Balay Kalinaw Conference Hall, University of the Philippines, Diliman, Quezon City

### PROGRAMME

#### OBJECTIVES

1. To raise awareness on the science and politics of climate change, as well as on the critique on the various responses to climate change;
2. To present experiences on climate change impacts from the perspective of peoples from selected countries in Asia and the Pacific, especially on the most vulnerable communities;
3. To elicit commitment and suggestions from the audience on how they can contribute in addressing climate change as individuals and as organizational representatives;
4. To demonstrate how climate change education can be conducted using creative and participatory teaching-learning methodologies;
5. To launch the book on climate change and environmental education in Asia and the Pacific (based on the proceedings of the forum held in December, 2010 in Manila, Philippines).
